Asia is a brand new Chinese restaurant located at 65-41 Grand Avenue, Maspeth, NY 11378. As we promised you when we were just opening up here back in 2002, we have proven to be your favorite Chinese restaurant within your reach. Needless to say, we would not have been able to establish this reputation without the trust and generous support from our regular as well as occasional customers. Our only way to show you our sincere gratitude is to serve you even better.

Your satisfaction is always our top concern. Not only do we care a great deal about how the food we serve you looks, smells, and tastes, but we are also concerned about your convenience in carrying it home, heating it up, and storing it. Thus, we have implemented the use of non-spill, sturdy plastic microwavable containers for all of our orders, and we have done so without raising any of our prices.

To all of our customers, new and regular, we would like to offer you a 10% discount off purchase of \$50.00 or more on already competitive prices when you order with this flyer as a token of our appreciation of your trust and support.

Thank you!

CHINESE ZODIAC
The Chinese Zodiac consists of a 12 year cycle, each year of which is named after a different animal that imparts distinct characteristics to its year. Many Chinese believe that the year of a person's birth is the primary factor in determining that person's personality traits, physical and mental attributes and degree of success and happiness throughout his lifetime. To learn about your Animal Sign, find the year of your birth among the 12 signs running around the border. If born before 1930 or after 1989, add or subtract 12 to find your year.
